Ask Anita tomorrow morning since she set it up and talked to Dave initially. She said he's complained about the EFED assessments before. I asked her "why" he wanted to meet with us if his issues are with the assessments. She said he had not met BEAD before ... and wanted to know what data/info we give to EFED. She should be at coffee tomorrow.

Hi Dave,

Wynne Miller, the Director of BEAD, and others from BEAD are planning on meeting with you on 2/28 from 11am-12pm. I recently moved to the Antimicrobials Division (AD) as Acting Director, and unfortunately will be unavailable to participate in the meeting next week. Wynne will contact you re: the meeting and arrange to have an escort meet you in the lobby prior to the meeting.

Regards,
Anita

Anita Pease
Acting Director
Antimicrobials Division (AD)
Office of Pesticide Programs
U.S. Environmental Protection Agency
